ELITE General Trading FZE

Established in 2023, Elitegtfze is a well-established enterprise that specializes in industrial and transport machinery spares. The company's headquarters is located in Sharjah, U.A.E. Over 1 year along with the increasing range of products that we offer, Elitegtfze has also managed to maintain reliable and stable connections with its local and global suppliers, enabling Elitegtfze to command unique market power over its competitors due to its ability to offer a wide range of products in various shapes and sizes, which are all well-stocked up in our warehouses. Our company works hard to fulfill its customer's requirements to the best of its abilities, while also being easy to communicate with (be it via calling, texting, or through the use of Whatsapp), for any enquiries. Elitegtfze aims to grow and increasingly contribute to the market by doing what it does best and deliver quality goods of all shapes and sizes. Elitegtfze has worked with a wide range of companies such as those in transport, construction and contracting, marine engineering, earth moving machinery, Etc.

Repairing Division

At Elite GT, we are specialized in comprehensive repair and overhaul solutions for hydraulic and pneumatic systems. Whether your equipment is malfunctioning or simply needs preventive maintenance, our expert team is ready to restore optimal performance.

What We Offer

Our repair and overhaul services cover a wide array of hydraulic and pneumatic components, including:

- ✓ **Hydraulic Cylinders**
(Repair, Overhaul, and Performance Testing)
- ✓ **Pneumatic Cylinders**
(Repair and Testing)
- ✓ **Hydraulic Pumps and Motors**
(Inspections, Repair, and Testing)
- ✓ **Valves** (Diagnostics, Repair, and Calibration)
- ✓ **Hydraulic Power Packs**
(Complete Servicing and Performance Testing)
- ✓ **Supporting Equipment**
(Hoses, Control Systems, and Related Accessories)

We ensure that every repaired unit undergoes rigorous testing before being returned to operation.
